# MS FRIDTJOF NANSEN

MS Fridtjof Nansen is the sister ship of MS Roald Amundsen, and features a vast variety of expedition equipment, including a fleet of Blueeye underwater drones, kayaks, paddle boards, and large inflatable Explorer Boats for landings in otherwise inaccessible destinations. On board, guests can relax in the Wellness Area, work out in the gym or at the top-deck running track, swim in the pool, relax in the hot tub, and enjoy the scenery through panoramic windows. MS Fridtjof Nansen offers three fantastic dining options: Lindstrøm, our exclusive restaurant; Fredheim, featuring fine international cuisine; and Aune, our primary restaurant. The onboard Science Center provides a great forum for learning, and natural Scandinavian materials are featured in the comfortable lounges and cabins.

### Onboard activity highlights:

Lecture program, Young Explorers Program, Photography Workshop, Nansen Science Center.
