

Typical Austria

A selection of hotels for you to choose from

from
€ 27,50

Have you been to Austria before and know exactly which excursions you want to do? Have you a special theme you would like to feature in your programme? Or do you just want to mix and match? Here is a selection of some of our hotels and prices.

1) Vöcklabruck

Vöcklabruck has a lot to offer - no matter if you stay just some hours or spend a couple of exciting days in the lively town. Choose from a wide range of recreational amenities, sports and activities, shopping facilities and cultural highlights. Enjoy the very special ambiance of Vöcklabruck's historical town centre and the Vöckla river running right through the old town. The perfect blend of medieval buildings and modernly designed houses leaves nothing to be desired. An infinite number of cosy inns, pubs and restaurants awaits you. Lean back, relax and experience the charming ambiance of our picturesque town. Besides a full range of sports and recreation facilities Vöcklabruck boasts an excellent public transport system, countless schools and educational centres, and - above all - it is situated in lovely surroundings.

Hotel zum Auerhahn 3*

The hotel is located right on the pedestrian precinct area of Vöcklabruck giving it an excellent location. The rooms are tra-

ditional and all have bath or shower, WC, TV and mini-bar. There is a dining room and also a nice bar area.

Prices start at € 29.- pppn and include:

- Welcome drink
- Buffet breakfast with healthy eating corner and juice bar
- 3-course evening meal with choice of main course
- Grill evening dependent on weather
- Meet and greet service

2) St. Johann im Pongau

St. Johann is a holiday resort with a long tradition, very special atmosphere, and perfect infrastructure. The town, located about 60km south of Salzburg, the festival city, is popular for shopping and numbers 10,400 citizens. Due to its marvellous and central location right in the heart of the county of Salzburg, it is a perfect starting point for various trips to numerous sights in the area, such as the Liechtenstein Gorge in St. Johann. The "Alpendorf" is a largely autonomous holiday paradise in the green, located about 3km from the town centre. The area boasts top standard hotels and restaurants for the most part, and its appearance differs radically from the overall appearance of St Johann.

Pichler's Sporthotel 4*

Located in Alpendorf this is a family run hotel of excellence. This traditional hotel has a reception, bar, terrace, restau-

rant, lobby and small wellness area with sauna, steam-bath and fitness room. There is a solarium and whirlpool available at a supplement. All rooms have bath or shower, WC, TV, telephone, safe, hair dryer, mini-bar and balcony.

Prices start at € 33.- pppn and include:

- Welcome drink
- Buffet breakfast with healthy eating corner and juice bar
- 3-course evening meal with choice of main course
- Grill evening dependent on weather
- Meet and greet service

3) Kirchberg in Tirol

Nestled in the heart of the Kitzbühel Alps this is definitely one of the most beautiful spots in Tyrol to be spending your holiday. You will find everything you need for an active, as well as a relaxing holiday. Less than 90 minutes from Munich, and approx. 1 hour from Innsbruck and Salzburg. Kirchberg sits amongst majestic mountain peaks, lush green meadows and forests, clean and crisp mountain air and crystal clear waters. There is also the bathing lake with its heated outdoor pool. This is the perfect starting point for your excursions or your walking tours.

Hotel Rösslwirt 3*

A family run hotel with a friendly, comfortable atmosphere located in the heart of Kirchberg. The hotel is made up of two

buildings which are located next to each other. In the main hotel all rooms have a bath or shower and WC, radio, Sat-TV, telephone and balcony. There is a lift, dining room, a-la-carte restaurant and "Jägerstüberl". In front of the hotel is a large terrace where you can sit and have a coffee and cake or an ice-cream, exceptionally pleasant when the evenings are warm, often there is live music on the terrace. There is a sauna, solarium (small charge in resort) and fitness room. The second building was built in 2001 and is made up of apartments and rooms. All the rooms have shower or bath and WC, telephone, Sat-TV, balcony or terrace and hair dryer. The apartments also have a small kitchen area. Due to the design of the new building it is well suited to people with walking difficulties. This building has a sauna, steam room, solarium and a lift.

Prices start at € 27.50 pppn and include:

- Welcome drink
- Buffet breakfast
- 3-course evening meal with choice of main course from the 2nd night
- 1 x per week farmers buffet
- Weather permitting 1 x per week live music on the terrace
- Meet and greet service.
