

The Province of Salzburg

Including Lake Zell

from
€ 280,-

Lakes and cities, Glaciers and eagles, there is something for everyone on this trip!

Day 1:

Arrive at the Hotel Latini or Hotel Hubertushof in Zell am See.

Day 2:

After a lazy start a local guide will introduce you to the area and some of its highlights. During the day you will have a boat trip on Lake Zell. Visit the town of Zell am See which is nestled between the Zeller Lake and the Schmittenhöhe mountain and enjoy some free time shopping or go for a stroll through the narrow cobbled streets.

Day 3:

Today we recommend a half day trip through picturesque valleys to the popular winter and summer mountain resort of Kitzbühel. Spend some free time in the old town, maybe take a ride up one of the gondolas, before returning over the Pass Thurn, with its impressive views, to your hotel.

Day 4:

No visit to Austria would be complete without a visit to the Mozart and Sound of Music city Salzburg. We recommend taking a ½ day city guide to introduce you to the highlights of this musical city.

Day 5:

Hohenwerfen and the Falkenry show. This is the fortress used in the film "Where Eagles Dare".

Their former fortification dating from the 11th century towers high above the Salzach Valley. Hohenwerfen served Salzburg's rulers, the prince-archbishops, not only as a military base but also as a residential and hunting retreat. Nowadays this mighty bastion functions as an adventure castle for its visitors. Among the numerous attractions offered by this exciting fortress are guided tours through the fortress showing its extensive weapon collection, with the first Asutrian Falconry Museum and Birds-of-Prey trail, large-scale special exhibitions and a wide range of cultural events.

Day 6:

To end your varied visit to Austria we recommend a trip on the famous high alpine road to the glacier on Austria's highest mountain, the Grossglockner (3798m). After a spectacular journey uphill you come to the view point at "Franz Josephs Hohe". Here you can get excellent views of the Glacier while enjoying a well earned cup of tea or coffee.
